**DISCLOSURE FORM**

It is the policy of the University of Pittsburgh Center for Continuing Education in the Health Sciences to insure balance, independence, objectivity, and scientific rigor in all of its educational activities. All individuals in a position to control the content of an educational activity sponsored by the University of Pittsburgh must disclose the name of **all** proprietary entities producing health care goods or services with which they have financial relationships as well as the nature of these relationships. It is not necessary to disclose relationships with non-profit or government organizations or proprietary entities that do not produce health care goods or services. Relationships of immediate family members with proprietary entities producing health care goods or services should be disclosed if they are of a nature that may influence the objectivity of the individual in a position to control the content of the continuing educational activity.
